Ms. Latha Ravi is President and owner of the Flying Locksmiths-South Atlanta, an entrepreneurial, woman owned small business providing physical security solutions and services for commercial and residential clients in South Atlanta. She focuses on both traditional and new technologies with her teams including IoT-Internet of Things and Smart homes. She is also a certified C level executive coach inspiring Innovation, Technology and women leaders to excel. She is passionate about technology, security, building community and teaching yoga.

Prior to her current business venture, Latha has 20+ years leadership expertise in innovation, software, security, new product development and technology culminating in her serving as CTO and CIO for leading multi-billion-dollar Fortune 500 companies. She led and coached entrepreneurial global cross-cultural teams in the USA, Japan, Europe, India, and China.

She is known for being a transformative R&D leader and holds five patents. Her product design and innovation leadership experience spans multiple industries including Manufacturing, Security, Technology, and Automotive. Her technology leadership experience ranges from the Internet of Things (IoT, Connected buildings, Connected Homes, Connected cars, appliances, bank devices) to Software, Security, Cloud, Analytics and Car Navigation systems. Her leadership and coaching has enabled revenue growth with new technology for global companies like TE Connectivity, 3SI security systems, Panasonic, Ford, Whirlpool and startups

Latha is a graduate of Oakland University, MI, USA with MS, Computer Science and Engineering and a Bachelor of Engineering in Electronics and Telecommunication Engineering from Anna University, Chennai, India.

Latha was nominated “Top 3 Women in Technology, Small Business in Georgia in 2013” by WIT, Atlanta. She is contributing author to the book *Climb*, which shares best practices for success in the technology field. She is a member of 2018 Leadership Coweta of Newnan, GA Chamber and Committee member, Startup Fayette Chamber, GA.
