Dear Majority Leader McConnell, Minority Leader Schumer, Speaker Pelosi, Republican Leader McCarthy:

On behalf of the National Association of Women Business Owners (NAWBO) and all women-owned businesses across the country, we are reaching out during this time of crisis and asking you to act on behalf of small business owners right away.

It is our understanding that the small business portion of the most recent stimulus package was met with bipartisan support. We urge you to swiftly pass the help that small businesses so desperately need. Please put party politics aside and pass a bill that will allow our economy to handle this devastating blow. Our members, your constituents, cannot wait another day.

Thank you for your continued support of our nation's job creators, and we look forward to the day when we can work together to rebuild after the crisis subsides.

Sincerely,

Jeanette Armbrust
NAWBO National Board Chair
