## Message from the President

NAWBO Members and Friends,

Come hang out with me on April 25 and 26! Let's hear the incredible story of LYFT - a tech-based transportation service company that has expanded to 60 cities and growing. Get up close and personal with execs from Twitter, Google, Intuit and Microsoft. Gain insights into what women business sectors are growing from the economic sages at Bank of America.

These are just a few of the jam-packed talks and treats Propel your Business has in store for you and me! If your business is larger than your San Diego zip code, then Propel is right for you! It's where hundreds of California NAWBO members and guests gather annually to learn, share and have a blast! Sign up today!

And another thing to sign up for...we're right in the middle of our Membership Drive. And we're kicking off a new easy way to pay...monthly carefree auto-pay. Ask us about it and jump in. It's a great time to be a member of the most historic women's business group in America.
