All session recordings available on-demand on the vFairs platform!

<p>3:30 P.M. - 4:00 P.M. EDT</p>	<p>Fall Fashion Trends with Yes She May Founder, Mei Xu</p>	<p>In this video, Mei talks about why she started Yes She May, some of our key brands, and fashion trends you expect to see during the Fall and the Holiday season. The second half of the segment features clips from one of our favorite founder interviews--Mei speaks with Hestia Jewels founder Yasemin Mutlu on how Hestia came to be, pieces from their new collection, and the latest jewelry trends.</p>	<p>Mei Xu Yes She May</p>
<p>4:00 P.M. - 4:30 P.M. EDT</p>	<p>Situational Awareness....Safe & Secure</p>	<p>This safety segment will focus on identifying workplace and residential safety threats. Participants will learn how to create a family safety plan and identify safety strategies to avoid becoming a victim. Additional safety topics will cover safety concerns relative to travel, shopping, parties, etc.</p>	<p>Javondlynn Dunagan JMD Defense, LLC</p>
<p>4:30 P.M. - 5:30 P.M. EDT</p>	<p>Server Management, It's Not As Hard As You Think! <i>Sponsored by Dell Technologies</i></p>	<p>Let's take a look at today's Enterprise IT products and how they can influence your business. We will discuss use cases, management, and benefits of a wide range of topics from basic sever to end point security. Driving home the understanding of where hardware can work to your advantage, you will have an idea of what your next steps are in your technology journey.</p>	<p>Katy Drozd Dell Technologies</p>
